

Missouri Supreme Court

John Canning & Co. performed an historic investigation to uncover the historic decoration and color palette throughout the Division 1 and 2 courtrooms.

PROJECT DETAILS

This project involved work in both Division 1 and 2 courtrooms for the Missouri Supreme Court. John Canning & Co. performed an historic investigation to uncover the historic decoration and color palette throughout the courtrooms.

Mockups were provided of the decoration in both campaigns and restoration of the historic color scheme and decoration was completed in the Division 1 courtroom.

The work included reinstating the historic color palette, gilding, and replication of the stenciling at the wainscot and ceiling.
